

The Spa Day comes to you! Your chosen space is transformed with white sofa throws, bath-mats and a spa display table. We bring candles, mist, scents, and relaxation music to set a spa ambiance. Each client will have use of their own individual bubbling foot-spa, spa robe, eye-spa mask, neck cushion, Client will receive a non-alcoholic welcome drink and will be provided with complimentary spa slippers or foot socks. Cost £30.00.

For group bookings, we recommend any foot treatment using the foot spa with a mini facial. This works well as part of synchronised group activity. While the feet soak in bubbles and the face masks and cucumbers soak in, we can incorporate a group spa meditation session to guided soft music to set the tone. A complimentary glass of bubbly will also be provided to this combination.
